- On the weekdays, evenings and weekends, please enter using the door located in the playground near the swings, there is a doorbell. After you enter you can toggle the door or prop it open so that those attending your class can come into the building. Kindly close it after 15 minutes.
- When there is no volleyball happening someone will be at the building to meet MALT teachers to let them in the building, and answer any questions before they leave. They come back about 15 minutes prior to the teacher leaving.
